

Indiana Department of Education
SUPPORTING STUDENT SUCCESS

The Northwest Indiana Education Service Center and the Indiana School Safety
Specialist Academy Present:

“The Power of Prevention: Principles, Strategies & Tips”

Presented by:

Isabel Burk, Director of The Health Network, Is a nationally known, award-winning expert on drug prevention, safety policies, and health education issues who has made presentations to more than 65,000 people in 38 states. She has been honored by the U.S. Department of Health and Human Services and the New York State Department of Health. Isabel has written two books and more than 120 articles, and has appeared on 20/20, CBS This Morning, The View, Fox News, and others. She is a credentialed prevention professional and a certified health education specialist, with a Masters of Science in Health.

Objectives: *At the end of this session, the participant will be able to:*

- Identify 2 research-based components of prevention
- Explain brain responses that lead to violence
- Explain the impact of age of initiation as it relates to future drug dependence
- Discuss how abuse of substances affect relationships, cognitive functions, decision making, motor skills
- List two prevention strategies that can be implemented immediately
